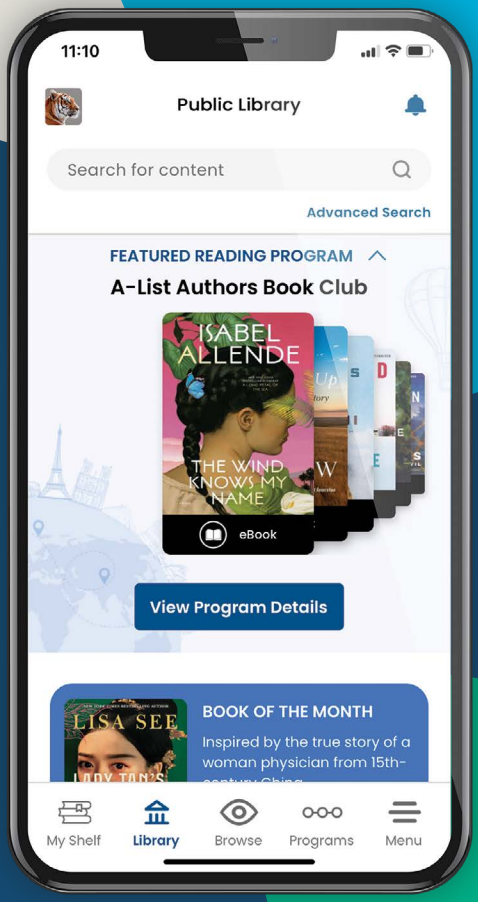
Grow the Future of Digital Literacy with Baker & Taylor



Baker & Taylor invites publishers to make their digital content available via Boundless, our innovative digital ecosystem that connects libraries and their communities with diverse, high quality resources.

By partnering with Baker & Taylor, you can bring your content to public libraries worldwide, providing seamless access for library patrons and creating new opportunities to grow your audience.

Why Partner with Baker & Taylor?

Unmatched Library Network

Reach thousands of libraries and millions of patrons through our extensive network built over 190 years.

Growing Digital Budgets

Libraries continue to grow their digital budgets 5-10% year over year.

Enhanced Discoverability

Your content will be featured in a curated ecosystem alongside other top publishers, increasing visibility and engagement.

Comprehensive Strategy

Boundless builds a bridge between the physical library and digital library—increasing circulation across formats.

Focus on the Future

We have been a trusted partner to libraries since 1828, and will continue to be so well into the future. We know that means offering community based digital solutions like ePopUp Library, Kids & Teens Bundle, PressReader, Comics Plus and ParentTV alongside Boundless.

A Legacy of Connecting Communities

For over 190 years, Baker & Taylor has been a trusted partner to libraries and publishers, delivering high-quality content that enriches communities.
